ABOUT NORTHCOTE PLUMBING AND ELECTRICAL LTD. WHY CHOOSE US?

We are an established and reliable business with over 30 years experience in the plumbing and electrical industry. We deliver an exceptional service with competitive rates and flexible availability.

Our staff are gas safe and NICEIC registered as well as being fully qualified in plumbing, gas, and electric. When you work with our company you can expect a punctual, neat, stress free service. Customer satisfaction is important to us, which is why we offer a 24/7 emergency service to keep you up and running.

Our office is **based in Battersea (SW11)** where we store property keys. We operate across **London** mainly in **South, South West** and **Central**.

"So glad to have such great plumbers and electricians local! They booked around my schedule which was super helpful. Jon arrived on time and installed my new boiler without any hassle or mess. A lovely family business will certainly be recommending!"
